The Chief Secretary, in his letter No. F/Tax/1001/40 of the 27th. April, 1945, has written to say that he sees no objection to the furnishing of the information required by Mr. Lifshitz if such information is collected in my office.

2. In the circumstances, I propose to arrange with your permission with the revenue offices concerned to obtain the information required, which will then be supplied through my office. If I see that the information entails extra work which at this time of the year could not be supplied without interfering with the normal work of the office, I propose to authorize clerical assistance - the cost of which will be met by Mr. Lifshitz. I trust you will agree to this arrangement.
